English: Practice Section (5 mins)

Reading Comprehension

Read this passage carefully, then answer the questions that follow.

The Passenger

1. The old stage coach was rumbling along the dusty road that runs from Maplewood to Riverboro. The day was as warm as midsummer, though it was only the middle of May, and Mr. Jeremiah Cobb was favoring the horses as much as possible, yet never losing sight of the fact that he carried the mail. The hills were many, and the reins
5. lay loosely in his hands as he lolled back in his seat and extended one foot and leg luxuriously over the dashboard. His brimmed hat of worn felt was well pulled over his eyes, and he revolved a quid of tobacco in his left cheek.

- There was one passenger in the coach,—a small dark-haired person in a glossy buff calico dress. She was so slender and so stiffly starched that she slid from space
10. to space on the leather cushions, though she braced herself against the middle seat with her feet and extended her cotton-gloved hands on each side, in order to maintain some sort of balance. Whenever the wheels sank farther than usual into a rut, or jolted suddenly over a stone, she bounded involuntarily into the air, came down again, pushed back her funny little straw hat, and picked up or settled more
15. firmly a small pink sun shade, which seemed to be her chief responsibility,—unless we except a bead purse, into which she looked whenever the condition of the roads would permit, finding great apparent satisfaction in that its precious contents neither disappeared nor grew less.

Read the above passage carefully and answer the following questions. Mark the correct answer on the provided answer sheet by choosing one of the options from A-E.

P1

What does the passage reveal about the passenger in the coach?

- A** She is an elderly woman with difficulty traveling
- B** She is a small girl who struggles to keep her balance
- C** She is travelling with several possessions she watches carefully
- D** She is related to the coach driver, Mr. Jeremiah Cobb
- E** She appears to be enjoying the bumpy journey

P2

What does the word "lolloped" mean as used to describe Mr. Cobb in line 5?

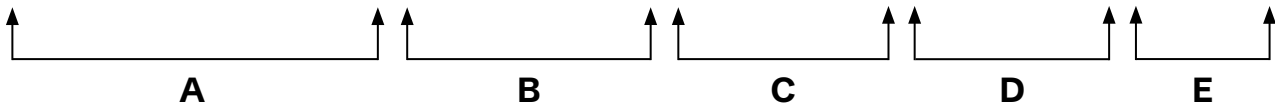

- A** Fell asleep
- B** Leaned back in a relaxed way
- C** Looked around attentively
- D** Bounced up and down
- E** Spoke loudly

In the following sentences, on each line there is either one capital letter or punctuation mistake, or there is no mistake. Find the group of words with the mistake in it and mark its letter on the answer sheet. If there is no mistake, mark 'N'.

Example

We enjoyed the concert however, we left early because it was getting very late.

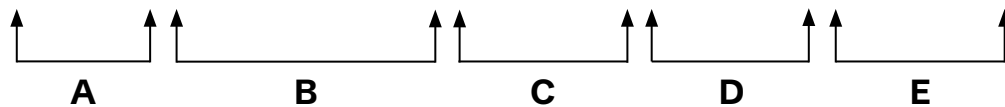

*The answer is **B** because "**however**" needs proper punctuation when it connects two independent clauses. It should be preceded by a semicolon and followed by a comma. The correct form would be "**concert; however, we left**". None of the other words in the sentence require punctuation or capitalisation corrections, making **B** the only valid answer.*

Now try the practice question below. Work out the correct answer and mark it on the answer sheet.

P3

The boys cricket team won their match despite the heavy rain.

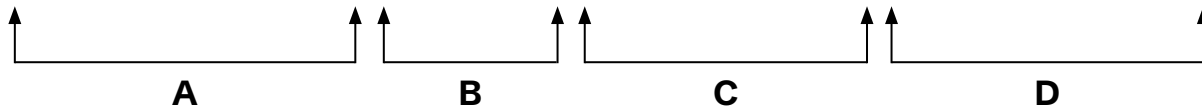

In the following sentences, on each line there is either one spelling mistake or none. Find the group of words with the mistake in it and mark the correct answer on the provided answer sheet. If there is no mistake mark 'N'.

Example

The birthday cake was coverd with colourful icing and chocolate sprinkles.

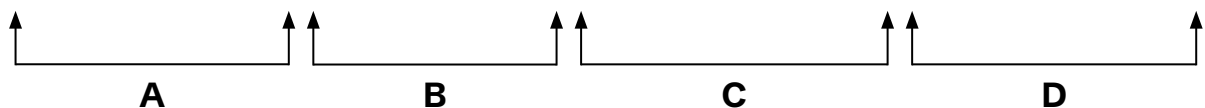

*The answer is **B** because "**coverd**" is **incorrect** in this context. The correct word should be "**covered**," with an 'e' before the 'd' at the end. "**Covered**" is the past tense of the verb "cover" and should maintain the 'e' when adding the '-ed' ending. This is a common spelling mistake where the final 'e' is incorrectly omitted when adding a suffix beginning with a consonant. **The rest of the sentence is correct**, so **B** is the only valid answer.*

Now try the practice question below. Work out the correct answer and mark it on the answer sheet

P4

My friend collects unusual stickers from many countrys around the world.

Identify the best word or group of words to complete the following sentences, so that it makes sense and is written in correct English. You should choose one of the following answers (A - E) and mark its letter on the answer sheet.

Example

The quiet neighbourhood suddenly

erupted	filled	charged	buzzed
A	B	C	D

vibrated

 with unexpected activity.

E

*The answer is **A** because **into** perfectly shows how the camping trip changed from a normal trip to an unexpected adventure. "Towards" points in a direction, "across" means moving over space, "beyond" goes past a point, and "under" means beneath something. **Into** captures the exciting transformation of the camping experience in the wilderness.*

Now work out the practice questions below. Work out the correct answer and mark it on the answer sheet.

P5

Mrs Thompson

C

D

from her window, watching the strange commotion outside.

E

**P6**

"Something unusual

A

D

E

This is the end of the English practice section.

English

You have **25 minutes to complete** this section. There are **25 questions**.
This section is **marked**.

Reading Comprehension

Read this passage carefully, then answer the questions that follow.

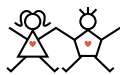

Bambi's Birth

Bambi, a baby deer, is born into the world. In wonder, a magpie watches on.

1. It was in a space in a thicket that he came into the world, in one of those little, hidden places in the wood which seem to be open on every side but which in fact are completely surrounded by foliage. That is why there was so little room there, but just enough for him and his mother.
5. He stood up, he staggered on his thin legs as he wondered what was happening, looked out with eyes which were dull, wondered what was happening but saw nothing, dropped his head, shuddered severely, and was quite numb.

“What a beautiful child!” declared the magpie.

10. She had rushed to the place, drawn by the breathy groans she heard forced from Bambi's mother by her pain. Now the magpie sat on a branch nearby. “What a beautiful child!” she exclaimed again. No-one answered her and she continued speaking excitedly. “And he can already stand up and walk. That's amazing! That's so interesting! I've never seen anything like it in me life. Well, I'm still young of course, it's only a year since I left the nest, but I expect you know that. But I think
15. it's wonderful. A child like this ... he's only been born a second and he can already stand. I think it's very noble of him. And most of all, I find that everything done by you deer is very noble. Can he already run too?”

- “Of course,” answered Bambi’s mother gently. “But you’ll have to excuse me, I’m not really in a good condition to chat with you. There’s a lot that I’ve got to do ... and besides, I’m feeling quite tired.”
- 20.
- “Oh, don’t let me disturb you,” said the magpie, “I’m in a bit of a rush today, too! But it’s not every day that you see something like this. I ask you, think of how awkward it is for us in these things, and how much hard work! The children just can’t do anything when they first hatch from the egg, they just lie there in the nest quite helpless, and need to be looked after, they always need to be looked after I tell you, I’m sure you’ve got no idea what it’s like. It’s so much hard work just to keep ‘em fed, and they need to be protected, it’s so worrying! I ask you, just think how strenuous all that is, getting food for the children and having to watch over them at the same time so that nothing happens to ‘em; if you’re not there they can do nothing for themselves. Am I not right? And you have to wait so long before they start to move, so long before they get their first feathers and start to look a bit decent!”
- 25.

Session 1 – Test 2

Verbal Reasoning

Instructions:

1. Do not turn over this page until instructed to do so.
2. There are two timed sections: **practice and main section**.
3. The test begins with a **5-minute** practice section.
4. The practice section includes **10 questions**.
 - The **first question** for each question type is solved with a detailed solution.
 - The remaining questions are for you to attempt.
5. The practice section is followed by the main questions.
6. Total time for the main questions is **20 minutes**.
7. Work quickly and carefully through the questions.
8. If you finish early, go back and check your work.
9. This is a **multiple-choice test**. Each question carries **1 mark**.

Verbal Reasoning: Practice Section (5 mins)

In these questions, find the number that completes the final set of numbers in the same way as the first two sets.

Example

48 [8] 12 35 [10] 7 81 [?] 9

A 12 **B** 18 **C** 14 **D** 16 **E** 20

The answer is **18**. In each set, the **first number** is **divided** by the **third number** and then the result is **multiplied** by **2** to get the **middle number**:
 $48 \div 12 = 4$, then $4 \times 2 = 8$; $35 \div 7 = 5$, then $5 \times 2 = 10$; $81 \div 9 = 9$, then $9 \times 2 = 18$.

Now try these two practice questions and mark the correct option on the answer sheet.

P1

5 [13] 8

7 [22] 15

9 [?] 24

A 29

B 31

C 33

D 35

E 37

P2

12 [42] 6

15 [65] 10

18 [?] 14

A 80

B 84

C 88

D 92

E 96

In these questions, find the next two letters in the pattern. Each pair follows a rule based on their position in the alphabet. Identify the pattern for both letters and choose the correct pair to complete the sequence.

Example

KL is to **MN** as **WX** is to [?]

A YZ **B** ST **C** UV **D** QR **E** NO

*The answer is **YZ**. The first letter in each pair follows an increasing pattern: $K \rightarrow M$, moving forward by +2. So, the next letter after **W** is **Y**. The second letter also follows an increasing pattern: $L \rightarrow N$, moving forward by +2. So, the next letter after **X** is **Z**. Thus, the next pair after **WX** is **YZ**.*

Now try these two practice questions and mark the correct option on the answer sheet.

P3

FH is to **JL** as **PR** is to [?]

A TV **B** UW **C** NQ **D** MR **E** ST

P4

BD is to **ZX** as **KM** is to [?]

A QS **B** EH **C** IG **D** JL **E** RU

In these questions, one letter can be moved from the first word to the second word to form two new words. The letters must stay in the same order, and both new words must make sense. Choose the letter that moves.

Example

spare lap

A s **B** p **C** a **D** r **E** e

*The answer is **s**. When removed from the word '**spare**', we get the new word '**pare**'. When added to the word '**lap**', we get the new word '**slap**'. The letters have not been rearranged, and both words make sense.*

Now try these two practice questions and mark the correct option on the answer sheet.

P5

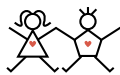

stone aid

A t **B** s **C** o **D** n **E** e

P6

plant ire

A p **B** l **C** a **D** n **E** t

In these questions, two groups of three words are given. The words in the first group follow a pattern to form a specific middle word. The second group must follow the same pattern, but one word is missing. Find the missing word in the second group.

Example

(fire [fit] brat) (more [?] glow)

A met **B** mow **C** low **D** net **E** now

*The answer is **mow**. In the first group, the first two letters of "fire" and the last letter of "brat" combine to form "fit". Using the same pattern, the first two letters of "more" and the last letter of "glow" combine to form "mow".*

Now try these two practice questions and mark the correct option on the answer sheet.

P7

(pen [pet] top) (car [?] net)

A cat **B** can **C** cot **D** ran **E** ten

P8

(fish [fire] rose) (cold [?] pine)

A cope **B** cost **C** clip **D** corn **E** camp

In these questions, find the two words, one from each group, that will complete the sentence in the best way.

Example

Dog is to (concert kennel melody) as **bird** is to (library paper nest)

A kennel **B** radio **C** paper **D** knowledge **E** nest

*The answer is **kennel nest**. A dog often lives in the kennel, just as birds live in a nest. The relationship in both cases describes a common place where the animal used to live, making **kennel** and **nest** the correct answer.*

Now try these two practice questions and mark the correct option on the answer sheet.

P9

Doctor is to (ink sharp patient) as **teacher** is to (student write draw)

A patient **B** write **C** sharp **D** student **E** draw

P10

Water is to (thirst light heat) as **food** is to (strong tired hunger)

A heat **B** thirst **C** tired **D** strong **E** hunger

Verbal Reasoning

You have **20 minutes** to complete these **25 questions**.
