### Predicted national curriculum tests

# Key stage 1

# **Mathematics**

SET 9 - Paper 1: arithmetic

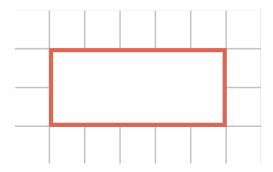

| Full Name |  |
|-----------|--|
| School    |  |
| Date      |  |

Total Marks

#### Instructions:

- 1. You **must not** use a calculator to answer any questions in this test.
- 2. It is expected that the test will take approximately 20 minutes to complete, but it is not strictly timed.
- 3. Work as quickly and as carefully as you can.
- **4**. For each question follow the instructions and write your answer in the box as shown in the below picture.

- 5. If you need to do working out, you can use the space around the question.
- **6**. The number under each circle at the side of the page tells you the maximum number of marks available for each question.
- 7. If you cannot do a question, go on to the next one. You can come back to it later, if you have time. If you finish before the end, go back and check your work.

## Symbols used:

Go to the next page.

Do not turn the page until told to do so.

Stop working and await instructions.
